

Louvre systems

Series CL
Circular cast louvres

Incorporating

- Small diameter external weather louvres
- Very high free area
- Cast aluminium construction
- Bird screen fitted as standard
- Available polyester powder coated to any RAL or BS colour

Series CL

Series CL circular cast louvres are small diameter external louvres, designed for applications requiring a high free area external vent, perfect for bathroom extractor fans etc.

Manufactured from a single aluminium casting, they are rattle free and robust, and are supplied factory fitted with bird screen.

CL louvres can be fixed through the face into the substrate, or by using the two concealed holes in the neck.
